# About the graduate planning student association

## Who are we?

- We are the graduate student organization that represents the academic and extracurricular interests of the Masters of Regional Planning students at the University at Albany, SUNY.**
- We take an inclusive team approach to our operations and enjoy a very strong relationship with faculty and staff, and work collaboratively to enhance the student experience**
- We are the student link to the regional and state chapter of the American Planning Association; we strongly encourage students to travel to the state and national conferences every year**

## What do we do?

- We hold monthly meetings during the academic year and ALL students are encouraged to attend and participate**
- We meet monthly off-campus for a social outing**
- We take trips to learn about and see good urban planning in action. Recent trips included Ithaca, Las Vegas, Montreal, and Northampton**
- We hold academic events such as the GIS/World Town Planning Day**
- We foster professional development by maintaining alumni contacts, hosting events, and building bridges to the community outside the university**
